Registration Instructions for the 2011-2012 Season

B&DBA REGISTRATIONS

It was agreed at the AGM in May that the registration fee per player remains unchanged for the 2011-2012 season at £1. In addition, Lancashire CBA has requested that local Leagues/Associations collect the County fees (£2.50 per member) on their behalf. Therefore, please ensure that £3.50 per player is included with your B&DBA player registration forms. Cheques for B&DBA/LCBA Registrations should be made payable to 'B&DBA'

PLEASE NOTE:

- All players must be registered along with their playing level.
- In order to assist in establishing the correct playing levels, clubs are requested to provide details of the highest league level a player plays at in other leagues, where appropriate.
- Initial registrations must be paid by **Monday 19th September 2011** (Standing Order 2.2).
- Thereafter, additional registrations (& fees) must be received by the Match Secretary within 14 days of the player's first appearance in a match.
 - The Match Secretary should be informed of any new players and their playing levels before they play in a match, and the registration form sent later – see League Competition Rule 2d.
